LIVING AT GREAT MORETON PARK.

The development has been carefully planned to balance privacy, space and a sense of community - ideal for family life. Nearby, the market towns of Congleton and Sandbach offer independent shops, cafes and good schools, while direct trains from Crewe make commuting simple. Crewe itself is close by, with fast connections to London and beyond. The development is also just a few miles from the M6 and within easy reach of Manchester Airport, making both national and international travel straightforward. There are ample inviting pubs and local amenities nearby, adding to the appeal. For those seeking a semi-rural location with everyday essentials close at hand, Great Moreton Park offers the best of both worlds.

DESCRIPTION

Situated with views of the Great Moreton Hall estate, this new development by Gleave Homes presents a rare opportunity to purchase one of three detached houses off plan, with completion due in spring 2026. Each home spans circa 3,025 sq ft and is designed with a focus on natural light, space and functionality. Interiors centre around a large openplan kitchen, dining and family area, opening onto generous landscaped gardens via sliding doors. A separate formal lounge, dining room and a spacious utility offer excellent flexibility for modern family life. Upstairs, five double bedrooms are arranged across one floor, including a principal suite with a Juliet balcony and two further en suites.

The houses sit in a quiet, rural setting overlooking parkland and the Grade II*-listed Great Moreton Hall – a gothic

revival masterpiece by Edward Blore. The three homes take their names from key figures in the Hall's remarkable history: Ackers House after George Ackers, who purchased the estate in 1814; Bellot House after the Bellot family, who held the manor for over 300 years previously; and Blore House in tribute to Edward Blore, the celebrated architect who designed the current Hall in the 1840s. Gleave Homes is known for delivering contemporary countryside homes with enduring quality and attention to detail. Finishes include a Leicht kitchen with NEFF appliances, bespoke Duravit bathrooms, Porcelanosa tiling, underfloor heating powered by an air source heat pump, and plush carpets in key rooms. Each home also has private parking, a detached double garage, electric car charging and fibre broadband. Early buyers may influence final specification.
